Re: Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 and 1.323.

Respecting the alleged error(s) in your request, inspection of the file of the application for the patent reveals that column 10, line 51, and column 12, line 21, in the patent, is/are printed in accordance with the record in the Patent and Trademark Office, as passed to issued by the examiner. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322.

Furthermore, columns 10 and 12 contains the specification, and not the claims.

In view of the foregoing, your request in this matter is denied

However, further consideration will be given your request upon receipt of of a request for **Reconsideration** (w/supporting documentation) in this matter upon receipt of a copy of the 1449 or 892 with the requested reference(s) considered by the Examiner.
